Sir:

In response to the Office Action dated January 14, 2003, please amend the above-identified application as follows:

IN THE CLAIMS:

Please enter the following amended claims:

1. (Amended) A radio data communication apparatus, comprising:
- a radio portable terminal including a portable terminal section for deciding a notification condition of a circuit state between the radio portable terminal and a base station based on information of power supplied to said radio portable terminal and issuing a notification of the
